RE: FOIA

On December 27, 2018, we received a Freedom of Information Act (FOIA) request dated December 17, 2018.

In the request, you asked for materials related to this agency's acquisition of, access to, preservation of, or disclosure of automated license plate readers (ALPR) or ALPR Data:

1. The names of agencies and organizations with which the agency shares ALPR data. We do not share any ALPR data.
2. The names of agencies and organizations with which the agency receives ALPR data. We do not receive any ALPR data.
3. The names of agencies and organizations with which the agency shares "hot list" information; We do not share any ALPR "hot list" information.
4. The names of agencies and organizations with which the agency receives "hot list" information; We do not receive any ALPR "hot list" information.
5. The aggregate number of "detections" (i.e. license plate scans and associated data) collected during 2016. We have none.
6. The aggregate number of "detections" collected during 2017. We have none.
7. The aggregate number of "hits" (i.e. times that a plate on a hotlist was detected) during 2016. We have none.
8. The aggregate number of "hits" during 2017. We have none.
9. The aggregate number of "hits" during 2018. We have none.

RE: FOIA

On December 27, 2018, we received a Freedom of Information Act (FOIA) request dated December 18, 2018.

In the request, you asked for materials related to this agency's acquisition of, access to, preservation of, or disclosure of automated license plate readers (ALPR) or ALPR Data:

1. Policies related to the adoption of ALPR technology, including those guiding the procurement process or necessary administrative obligations before acquisition. We do not have any
2. Training policies, requirements, and materials for automatic license plate reader system operators. We do not have any
3. Databases used to compare data obtained by the automatic license plate reader system. We do not have any.
4. Policies related to the retention and security of captured ALPR data, including those regarding:
 - the length of time after capture that data may be preserved. None
 - exceptions to general data preservation policies. None
 - internal data security and access. None
 - data destruction. No data to destroy
5. Policies related to the retention and security of captured ALPR data, including those regarding:
 - the manner in which another agency may request data. There is none
 - the circumstances under which captured data may be shared. There are none.
 - the responsibilities of the recipient agency in regards to data retention and use. There is none.
 - access by this agency to data obtained by automatic license plate reader systems not operated by the law enforcement agency. We do not access any information from ALPR systems.
 - Please also provide the number of requests made by outside agencies, if applicable. There has not been any requests.
5. Policies related to the sale of data or the sharing of data with non-law enforcement actors. We do not sell or share ALPR data.
6. Policies regarding oversight of Automatic license plate reader system use. We do not have any.

7. Audit reports. We do not have any
8. Policies related to maintenance and calibration. We do not have any.
9. Please also provide maintenance and calibration schedules and records for the system on file. We do not have any.
10. Any other policies or reports on subjects related to automatic license plate reader system used by the agency. Our department does not have an ALPR nor do we have access to information gained from an ALPR. Since we do not own, operate, or have access to ALPR data, systems, information, or equipment; we do not have any policies, information, data, training records and etc. associated with an Automatic License Plate Reader (ALPR).
